CHERRY RED PROMOTIONS

NEWS

I expect you all know by now that the ARGENT tour was cancelled due to the drummer having Hepatitis. Apparently its some sort of liver complaint which seems common to drummers. There are plans afoot to re-schedule the tour for September, at the time of writing this we are not sure about rebooking the band.

Anyhow tonight we have the very excellent BB-BOP DELUXE, supported by local lads BIG FRONT YARD.

The line-up of Big Front Yard has recently changed, Min the drummer moved away to Liverpool, replacing him, and rather a scoop for B.F.Y. is the widely respected Keith Baker, ex Uriah Heep.

The band has so impressed Michael Gray (the rock journalist who lives in West Malvern, Writes in Let It Rock and Melody Maker & wrote the book "Song and Dance Man/ The Art Of Bob Dylan") that he's formed a Midlands-based independant record company, RAMPANT RECORDS -run in conjunction with Sue Tyrrell to record and release B.F.Y.s music.

The bands first single is "MONEY-GO-ROUND" c/w "MAD JOHN'S DREAM", and was released 20th June. It is on sale throughout the Midlands and locally at Malvern Music, Counterpoint, and Preedys in Worcester. If the single does well- as it should, an album will follow in September.

Looking ahead we have:-

BABE RUTH. Saturday July 26th.

CAMEL. Monday August 25th.

ARGENT (possible)

Saturday Sept. 27th.

VAN-DER-GRAFF GENERATOR.

Thursday October 9th

THIN LIZZY. Friday Nov. 28th.

Not a bad line-up eh?.....

See you all on July 26th.

Love Cherry Red.
