CHERRY RED NEWS

Well, I expect you've all read in your music papers that the Malvern Dolls won't be coming over to this country before Christmas. Unfortunately, for once they are right. As you know, they planned to squeeze in a few gigs inbetween their American tour, this has now been scrapped. There is a possibility that they might come over in the new year to do a big tour covering all the major cities.

So whats for Christmas then? Well, it looks like being "The Heavy Metal Kids" They are sure to supply us with some loud, raucous music, which is what we want. December 23rd, Don't forget.

We have had loads and loads of enquiries about HAWKWIND. There is absolutely no chance of them playing at Malvern again this year. You can be sure that we shall do all within our power to get them back sometime next year. We have no idea where they are, or what they are doing. If you know, then we'd like to know.

There is a new Cherry Red Ticket Agency opened in Worcester, at Gooses record shop, which incidentally must be the best record shop around here!

CHERRY RED TICKET AGENTS ARE :-

Buzz Music, Hereford + Worcester Music Centre.
Gooses Records, Worcester + Fearnside's, Malvern.
Malvern Music Centre + Winter Gardens, Malvern.

Postal Applications, Cherry Red Promotions,
141 Pound Bank Road, Malvern, Worcs.
