Greetings!

What a pleasant change it is to have an evening such as August 26th!  
Extremely fine music by both CAMEL and COLD WATER LADY - a real treat, yes!

We've slotted in another date for October, so that on the 22nd you will have the opportunity to sample once more the delights produced by our old chums BARCLAY JAMES HARVEST. A welcome return, I think you'll all agree.

While on the topic of friends, guess who we had a call from the other day? No, not Rod Stewart, but.....THE MALVERN DOLLS. They're currently doing a massive four month tour in the States and are hoping to come over to this country for a few days in December to play a major London venue and.....wait for it.....  
...Malvern! If they do play here you won't have to worry about tickets being £5 each - anyway, we will keep you informed about that.

Malvern Music Centre, Church St, Malvern, are now on the list of CHERRY RED ticket agents. They're open all lunch hour, which is useful for those of you who work in Malvern. Incidentally, they offer 10% off all LP's and cassettes, which is quite a saving, albums being the price they are these days. Just to refresh your memories, our ticket agents are:...
