

OH BONDAGE, UP YOURS!

Wednesday 3rd May

Yeh, well we left it too late to do our usual flark job. Fact is our next date is JUNE 2nd and we just slotted in, yeh you guessed it, 'X-RAY-SPEX'. Their second single, "The Day the World turned DayGlo," has just entered the charts at 27 or something like that.

We hasn't had a lot of luck trying to get a gig round the end of May. We've had to turn down Boomtown Rats, Buzzcocks, John Otway, WW Barrett, Generation X tour has now been put back to the Autumn. Steve Millage is no longer due to one reason and another. Anyway SPEX tickets will be on sale in bout 10 days time £1.50 Advance, £2.00 on the door.

Winter Gardens management told us that there were loads of broken glasses at the Adverts gig, so try and take it easy, otherwise the price of drinks will go up to cover the cost of broken glasses.

Thanks to Health Warning for fitting in at such short notice. The Tights debut single will be out in one or two weeks time. If we're done our job properly you shouldn't have any doubt the day it's released.

WIN A FREE MOTORS ALBUM tonight for 5p. Were joining forces with the Gardens and ~~not~~ having a raffle at every gig. Tonight is the new Motors L.P. Tickets are 5p each or 5 for 40p available from BUBBLES STALL. The L.P. where possible will be auto graphed on all.

The guys from Bubbles tell us they got loads of new goodies in like new Pistols bootleg, Ian Dury import L.P. with SOX & DRUGS, new A-TV album, Italian Stiff import L.P. PUNK UBU 12" & import L.P. Now ~~the~~ JOE Gibbs, Majestic Dub album and loads more.

Dont forget May 30th at Ledbury and June 5th Gardens, Malvern Festival with Tights, cure, vendettas etc.
